**2022 OLD VINE GRENACHE**

**96 points**

*“This brilliant Old Vine 2022 Grenache is made with fruit off vines planted in 1935 and aged in old barrels. It presents an enthralling mix of dark cherry, dark earths with crushed cumin and fennel seed complexity. Superbly balanced with a fleshy, yet firm core of flavor holding its line over a long strong finish, underlined by sandy tannins. Very impressive and will age well”*

*“This deeply flavoured rich Grenache exploded with aromas of dark cherry, red liquorice, cumin seed, and well matched oak. Dry, full poured, superb extract and power, density of fruit length and power. What a wine. With al dente/ sandy tannins drawing out an extended finish. Exceptional balance. 2028-2038”*

*“Grenache sourced from a low-yielding, single vineyard planted in 1935 on the Kalleske estate. Dry grown, biodynamically farmed, wild fermented and matured in French and American oak for 12 months. As always, the Brothers Kalleske deliver an expressive, spice-rich expression of grenache from their Greenock estate. Flecked with wildflowers and gingery spice, it’s an earthier, deeper expression of the variety. Just a little heat peeking in on the finish this year, but the wine impresses nevertheless.”*
