

## 2023 CLARRY'S GSM

### 93 points

*“Deep crimson. Red liquorice, red cherry, musky plum aromas. Richly flavoured with ample red cherry, red plum, musky plum, hint ginger flavours, ripe loose-knit tannins and underlying savoury notes. Crisp and tight at the finish. High tensile vibrant wine. Drink now—keep for a while 14% alc.”*

### 92 Points

*“Clarry’s has always represented great value and plenty of savoury, spicy, dark-fruited drinking for the price. Nothing’s changed with the 2023 model and it ticks all the boxes once again. Ripe plums and blackberry with hints of baking spices, crushed stone, purple flowers, chocolate and earth with tight, powdery tannins and a medium-length finish. Such a solid bistro-style wine.”*

### 90 points

*“The 2023 Clarry’s GSM is a blend of 50% Grenache, 40% Shiraz and 10% Mataro, matured in old oak barrels. It is an attractive sweet fruited expression offering understated aromas of dark cherry, and licorice with mocha complexity. Juicy and fresh, with silky flavors and light tannins, so best enjoyed young.”*
