

## 2020 JOHANN GEORG SHIRAZ

### 95+ Points

*“Deep crimson. Very polished wine with lovely dark cherry, blackberry, liquorice aromas with ginger marzipan notes. Concentrated and voluminous wine with dense blackberry, marzipan, ginger flavours and firm gravelly tannins. Builds up claret firm at the finish with pure dark berry fruits and a graphite plume. Lovely wine. Drink now–2038+”.*

The Vintage Journal Regional Focus - Barossa 2024

### 95 Points

*“The 2020 release of Kalleske’s flagship shiraz presents as a deeply coloured wine with aromas of blackberry pastille, black cherry conserve, dark chocolate, licorice, fruit straps, tapenade, earth and rock. There’s a taut, fine-grained tannin architecture here, bright acidity and a sleek, savoury-leaning extended exit. Finishes strong and true with a ferrous edge to the black fruits.”*

**Dave Brookes**, Halliday Wine Companion, 23 October 2024

### 94 Points

*“This fascinating expression of 2020 Shiraz Johann Georg comes off vines planted in 1875. It is deeply savory with a powerful core of smoky, peaty aromas laced with dried spices and coal dust. Densely flavored with ripe yet muscular ironstone notes and drying, mouthcoating tannins. This is big, yet balanced and will age well.”*
